

Configuring Settings for LinkedIn Learning

1. To change the settings for your LinkedIn Learning account, click the “Me” dropdown and select “Settings”.

2. On the settings page, you can also change your notification preferences. To do this, you can click either “On LinkedIn Learning” or “Email” and toggle the buttons on/off.

Notification settings

Controls to make sure you only get notified about what's important to you

3. There are also settings regarding consumption preferences that you can toggle on/off.

Consumption preferences
