

Grading essay question types in a Moodle Quiz.

Moodle's quiz will grade objective quiz questions automatically, but you will have to manually grade a Moodle essay question type. Here is how you do it.

1. Click on the exam on the course page.

2. On the next page, click on the gear in the upper right corner.

3. Click on Results

The screenshot shows the Canvas LMS interface for a course named 'Rubric course'. The breadcrumb trail is: Dashboard / Courses / Resources / Faculty Resources / Demo courses / Rubric course / Hokum / Essay quiz demo. The main content area shows 'Essay quiz demo' with details: 'Opened: Friday, 4 February 2022, 1:40 PM' and 'Closes: Friday, 4 February 2022, 2:00 PM'. Below this, it says 'Grading method: Highest grade' and 'Attempts: 2'. There is a button 'Attempt quiz now'. At the bottom left, there is a 'Quiz on Stuff' link and a 'Jump to...' dropdown. On the right side, there is a settings menu with options: Edit settings, Group overrides, User overrides, Edit quiz, Preview, Results (highlighted with a red circle), Grades, Responses, Statistics, Manual grading, Locally assigned roles, Permissions, Check permissions, Filters, Competency breakdown, Logs, and Backup.

4. Scroll down.

The screenshot shows the Canvas LMS interface for a course named 'Rubric course'. The breadcrumb trail is: Dashboard / Courses / Resources / Faculty Resources / Demo courses / Rubric course / Hokum / Essay quiz demo / Results / Grades. The main content area shows 'Essay quiz demo' with details: 'Attempts: 2'. Below this, there is a section 'What to include in the report' with options: 'Attempts from' (enrolled users who have attempted the quiz), 'Attempts that are' (In progress, Overdue, Finished, Never submitted), 'Show at most one finished attempt per user' (Highest grade), and 'Show only attempts' (that have been regraded / are marked as needing regrading). There is a 'Display options' section with 'Page size' (50) and 'Marks for each question' (Yes). A 'Show report' button is at the bottom. Below the report section, there are buttons 'Regrade all' and 'Dry run a full regrade'. At the bottom, it says 'Showing graded and ungraded attempts for each user. The one attempt for each user that is graded is highlighted. The grading method for this quiz is Highest grade.' There is a 'Reset table preferences' link. A red arrow points down, indicating the scroll direction.

- Click on 'Requires Grading' for Joe Student. If you have more students, they would be arrayed vertically down the page.
